**I**f your small construction or service company bids on projects requiring surety bonds, the U.S. Small Business Administration has a program that could help make you more competitive.

Small business contractors and manufacturers can overcome challenges they face in winning government contracts by using the SBA's Bond Guarantee Program. A surety bond is a three-way agreement between the surety company, the contractor and project owner that ensures the completion of the project.

The SBA and its partners offer:

  - ❖ Bid
  - ❖ Payment
  - ❖ Performance
  - ❖ Ancillary
- ◆ Guaranties up to \$2 million for eligible small contractors
- ◆ Online, detailed information about the program
- ◆ SBA offices in every state and territory
